

Mobile Phone Policy: July 2017

We recognise there are many positive uses of phones (indeed some teachers use them very effectively in lessons). We also acknowledge that communication is necessary, however the negative impact we are seeing with regard to real life interaction, socialisation and participation is immense.

Mobile phones must be switched off once the student is on the school premises and should remain off until 3.40pm. They should be placed securely in bags, not in pockets or blazers.

Mobile phones are not allowed to be used at any time during the school day unless permission is given by a teacher or a teacher requests they are used for a specific purpose.

In addition, Year 12 & Year 13 students may use their phone in the 6th form common rooms and dedicated 6th form areas (e.g. S Block, upstairs in Easdale).

If a mobile phone is seen being used by a student at any other time without staff permission, it will be confiscated until the end of the day. The phone will be returned to the student on the first and second occasion. Parents/Carers will be notified.

If a student has their mobile phone confiscated a third time, the phone will be kept in the school safe until a parent/carer can collect it. Parents/Carers will be notified.

Students sometimes get into trouble when parents/carers contact them to make arrangements. Parents/Carers can support this policy by remembering that if it is necessary to contact a student urgently, this can be done through the school office.
